

# Variance Request for Outdoor Water Use During Outdoor Water Use Restrictions

Date: \_\_\_\_\_ (Estimated) Completion Date: \_\_\_\_\_

Name: \_\_\_\_\_

Address: \_\_\_\_\_ Zip: \_\_\_\_\_

Phone Number: \_\_\_\_\_ Email: \_\_\_\_\_

- Include written justification on why the variance is needed (include date of installation): \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

- You will be contacted within 3 business days of receipt of variance request with notification of approval or denial. No citations will be issued for the property while the application is pending.
- Receipt and approval of this notice by Town of Ayer DPW Water Division allows the applicant to irrigate a newly installed landscape according to the following schedule:
  - **Days 1 through day 14 after new lawn / landscaping installation:** may water daily, not between 9am – 5pm;
  - After day 14, the property must adhere to the current water use restrictions.
- Hand-watering is permitted any time.

Eligibility:

- (1) Newly installed lawns and landscaping (within time frame above)
- (2) Installed as part of a governmental entity’s capital improvement project
